Vacation Visits

If you are planning a vacation or need to be away for any other reason, you may not only need somebody to see to your pet's needs, but water your plants, bring in your mail, turn on and off lights, see to the security of your residence, or anything else you may need. We will come to your house as many times a day as you request while you are away, feed your pet(s), walk your pet(s), clean their cage... pretty much anything you may want us to do with the time we are visiting your home. As always, we will leave a log as to when we were there, the times, and any relevant messages.

Dog Walking and Pet Playtimes

Our initial consultation will essentially detail what you and your pet's needs are. In general, our dog walking and pet playtimes are when we visit your pet and provide them with company or take them on their daily walk. If you have a dog, exercise is an essential element of their daily routine. A fifteen to thirty minute walk around your neighborhood will allow them to stretch out, check their "pee-mail," and maintain a healthy lifestyle.

As for pet playtimes, you may have a pet with special needs that simply needs some company during the day. Whether you need us to play with your kitty (or other type of pet), feed them, or change their kitty litter, we will be there.

We will always leave you a note with the time we took your pet for a walk, the time we returned your pet, and/or whether we fed your pet and how much. In addition, we will note any information regarding your pet we feel you should know (for example, if your pet seems down, or is limping on his/her back left paw, etc.).

Depending on the adventure, your dog will be taken to an offleash park (such as the Douglas Family Preserve), on a hike into the Los Padres National Forest, or simply on a stroll in the pet friendly downtown Santa Barbara. Pet Errands

We understand it's not always easy to take your pet to the vet during the day. In fact, it's sometimes difficult to keep a medical visit for us humans! Pet errands are where we will pick up prescriptions, take your pet to the vet (with your written consent), take them to your groomer, or any other errand you may need some extra help with.

Dog Waste Disposal Service

Perhaps the ONLY thing unenjoyable about owning a pet is the "less-than glamorous" task of picking up and disposing of the, er, dog stuff. On a weekly basis, Pet Pals will go to your residence, carefully clean your yard of all messes, and dispose of it in a sanitary way. You will never again have to worry about smelly garbage cans or land mines in your yard.
